“Ballighna Ramadan”

Nasheed Lyrics

Verse 1

What’s that I hear? Ramadan is near? Lets get ready!
Up in hills, looking up at the stars, where is the new moon?
Alhamdulillah, I see it now, bright and shiny,
The month of mercy is now here, so exciting
Oh Allah please accept our Ramadan.

Chorus

Ballighna Ramadan, fasting, praying, charity
Balighna Ramadan, giving, patience, family
Balighna Ramadan, Gain taqwa and pray Taraweeh
Ballighna Ramadan, Oh Allah bring us to Ramadan.

Verse 2

Helping those in need, give lots of charity,
Remember that my lord, he loves and sees me
Intend to fast for Allah, the one we worship
Fasting is for Ar-Raheem, and He will reward it
Oh Allah please accept our good deeds.

Chorus

Ballighna Ramadan, fasting, praying, charity
Balighna Ramadan, giving, patience, family
Balighna Ramadan, Gain taqwa and pray Taraweeh
Ballighna Ramadan, Oh Allah bring us to Ramadan.

Verse 3

Preparing our iftar, as a family,
sharing the blessings with the ones in need
Complete good deeds for the day, feel so thankful
The time of maghrib is now here, dua is accepted
Oh Allah please accept our sawm.

Verse 4

Getting close to Ar-Rahman, reciting Al-Quran
The words of our Lord, revealed in Ramadan.
Stand in Salah, make lots of dua, for my Ummah
Searching for the night of power better than a thousand
months, Oh Allah please accept our ibadah.

Chorus

Ballighna Ramadan, fasting, praying, charity
Balighna Ramadan, giving, patience, family
Balighna Ramadan, Gain taqwa and pray Taraweeh
Ballighna Ramadan, Oh Allah bring us to Ramadan.

Arabic words
