MORNING COFFEE

Good Morning

Served in our South Drawing Room, daily from 9am until 12.30pm

OUR COFFEE

We use an exceptional range of espresso beans—a result of more than 250 years of expertise from past and present Master Roasters. Only the finest “Arabica” and “Robusta” coffee beans, worldwide, are selected.

The roasting method used for this particular blend is a “Medium Roast” and contains mainly washed and unwashed Arabica beans with a small amount of Robusta. The blend composition gives you the coffee strength and depth, yet has a rounded aroma with a slight strong after-taste. This blend mixes well to create a smooth Cappuccino or Latte.

HOONGLY TEA

Hoogly is the pronunciation of 'hyggelig', the adjective of Hygge, a Danish way of life and an experience; a year-round feeling of warmth, wellbeing and cosiness.

Hoogly Tea combines a love of tea with this mindful Danish concept to create a unique and healthy range of blends, made with luxury natural ingredients.

All teas are blended and packed in the UK, they are ethically sourced and fairly traded. The biodegradable tea pyramids are soil association certified.

On behalf of Hoogly Tea, we invite you to have a Hoogly time drinking one of the delicious and indulgent brews, and be seduced by the wonderfully relaxing Danish way of life.
