Come on in...

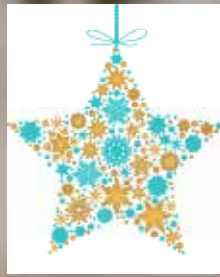

At Barnett Hill during the Festive Season we most certainly have a twinkle in our eye. THE party destination and dressed to impress, our halls are positively decked and waiting for the sound of music, the clink of glasses and the popping of corks.

From a gathering with the girls for a seasonal shindig in The Library, to organising the office for a full-on House Party on the Hill, there are many and more drop-dead-gorgeous spaces to see in the season in style.

With an array of luxurious rooms & suites, there is plenty of space to stay the night too and enjoy a recovery breakfast the following morning (you know what we mean).

If baubles could talk...

W h e r e SHALL WE SIT?

We can't bear rules, and least of all at Christmas. We all want to let our hair down, and that's exactly what we encourage you to do - take the Library for example. Is it a dining room? No.

Can you hire it for a party? Of course.

Go forth and get your sparkle on, in a suitably fabulous folly.
