We are delighted to announce the re-opening of Ardencote Leisure as of **7.00am Saturday 25 July 2020**.

The safety and well-being of Members and our staff is our number one priority: having followed Government & Industry Guidelines we have introduced new procedures which will be implemented on opening:

- Indoor & Outdoor Pools** The Pools will be open from 7am to 9pm seven days/week. Numbers will be strictly limited and we advise all Members who wish to enjoy a swim to pre-book a swimming time on the above number between 9am and 5pm daily. Sessions will be limited to one hour at a time, with 10 swimmers maximum in either of the pools. Outdoor Sun Loungers will be available, subject to social distancing measures.
- Changing Rooms** The Changing Rooms and toilets will be open, with regular inspections and cleaning taking place. The shower facilities will be closed for the time being, however you will be able to use the pool-side showers. Please can you bring your own amenities and towels. We will manage the numbers using the Changing rooms and also ensure that use of Lockers is maximised to ensure social distancing measures are adhered to.
- Cardio-Vascular & Free-weight Gyms** The Gyms will be open from 7am to 9pm seven days/week. Numbers will be strictly limited to ensure that social distancing measures are adhered to. It will be necessary to pre-book your work-out Session in advance with Leisure Reception. Members will be asked to clean down the equipment following use.
- Squash/Racketball & Tennis Courts** The Courts will be pre-bookable in advance with Leisure Reception as pre-Covid 19 days. The Tennis Courts have been in use by Members since May 15th and this has enabled us to test our procedures and has been very well received to date.
- Brasserie Bar & Restaurant** The Bar & Restaurant have been opened since Saturday 04 July. There are new procedures in place to ensure Government Guidelines and social distancing measures are being adopted. Your Membership Discount will still apply to food and beverages, the Bar is now a cash-free set-up. Contactless Payments have been in place since re-opening and has been successfully received.
- We are very fortunate to enjoy such a depth of outdoor areas, and Tennis players and Golfers have been enjoying drinks on the Terraces following their matches, which everyone will be more than welcome to continue doing.
- Thermal Facilities** The Outdoor Hot Tub and indoor whirlpool will open from Monday 3rd August 2020, however at the time of writing we are unable to open our Saunas and Steam Rooms.
- Covid-19 Policy** Ardencote has produced a thorough Standard Operating Policy with regard to the measures we have implemented in order to comply with Government Guidelines to ensure the safety of all our Guests and staff. For further information on our Policy review, please see our website

We very much look to welcoming you back to Ardencote.
