Your Wedding at Barnsley House

Barnsley House was built in 1697 and having gained international acclaim as a place of remarkable beauty, the house and gardens provide the perfect backdrop for a traditional country wedding.

There are 18 individually designed bedrooms, The Potager Restaurant, a private cinema and The Garden Spa. The hotel also owns The Village Pub across the road which has an additional 6 comfy and stylish bedrooms.

Due to the small and intimate size of Barnsley House, the perfect wedding requires taking sole use of the hotel and its facilities for a minimum of one night. This means that all staff are available to take care of your every need— just like having your own country house party.

On any day, the Barnsley House gardens are a lovely place to enjoy a champagne and canapé reception after the ceremony, otherwise the lounges and bar area of the hotel may be used for a drinks reception before the celebration breakfast.

Wedding vows and rings can be exchanged in The Potager Restaurant, or outdoors in front of The Gothic Summerhouse—both can seat up to 100 guests. Alternatively, The Temple is perfect for more intimate ceremonies with up to 40 guests.

Food & Drink Pricing

For the bar tab in the evening there is no average cost. However, we recommend allowing at least £25 per head. Please allow one bottle of wine and ½ bottle of champagne per person (two glasses after the ceremony and one glass for the speeches). Canapés are £16 for 5 per person and dinner is from £59.00 per person.

Optional Extras

Children

We can accommodate children in some of the rooms with extra beds so please do request these at the time of booking if you have families wanting to stay so that we can allocate accordingly. Children are charged at £45 per child, per night inclusive of Bed & Breakfast. (Please be aware that these beds are not suitable for adults).

Additional Adults

We do also have a number of extra beds that are suitable for adults and certain rooms will accommodate 3 adults in a room. Please let us know if these are required and the third adult in a room will be charged at £90 per adult, per night inclusive of Bed & Breakfast.

Accommodation at the Village Pub, Barnsley

	<i>Per night (Sun to Thurs)</i>	<i>Per night (Fri to Sat)</i>	<i>No. Rooms</i>
Smart Rooms	£164.00	£184.00	3
Even Smarter Rooms	£184.00	£204.00	3

Marquee Hire

If the wedding party is for greater than 70 persons then a marquee hire is required. For 80 to 120 persons we would recommend a 60' x 40' frame tent which with furniture, linen, lining, lighting, heating and a service tent etc, would cost in the region of £7,000. (We do ask you to make any enquiries directly with the marquee company).

A charge of £6.50 per person will apply to cover the additional crockery, cutlery and glassware and additional catering equipment costs will be dependent on menu choice.
