# Magical

The garden of your dreams...

The gardens at Barnsley House are truly enchanting, with something special and unique to enjoy with each changing season.

Created by revered horticulturist Rosemary Verey, our grounds are a classic example of an English country garden. They are sure to make a lasting impression and offer an idyllic backdrop to your wedding photographs.

# All yours

## Make your vows...

Our legal ceremony spaces are our Gothic Summerhouse which can seat up to 140 guests, or our intimate Temple,

which is perfect for ceremonies up to 40 guests. Additionally, St. Mary's Church next door is perfect for a religious wedding.

When you choose to hold your wedding at Barnsley House, you'll have free rein of our historic house and dazzling gardens, and your own personal wedding planner to make sure everything runs smoothly.

With 18 individually designed bedrooms, 6 cosy boltholes at The Boot across the road, and a 3 double bedroom cottage in the village, we can sleep up to 54 adults within our grounds. If more accommodation is required, our team will be able to help with recommendations.

# Retreat

## Room to indulge ...

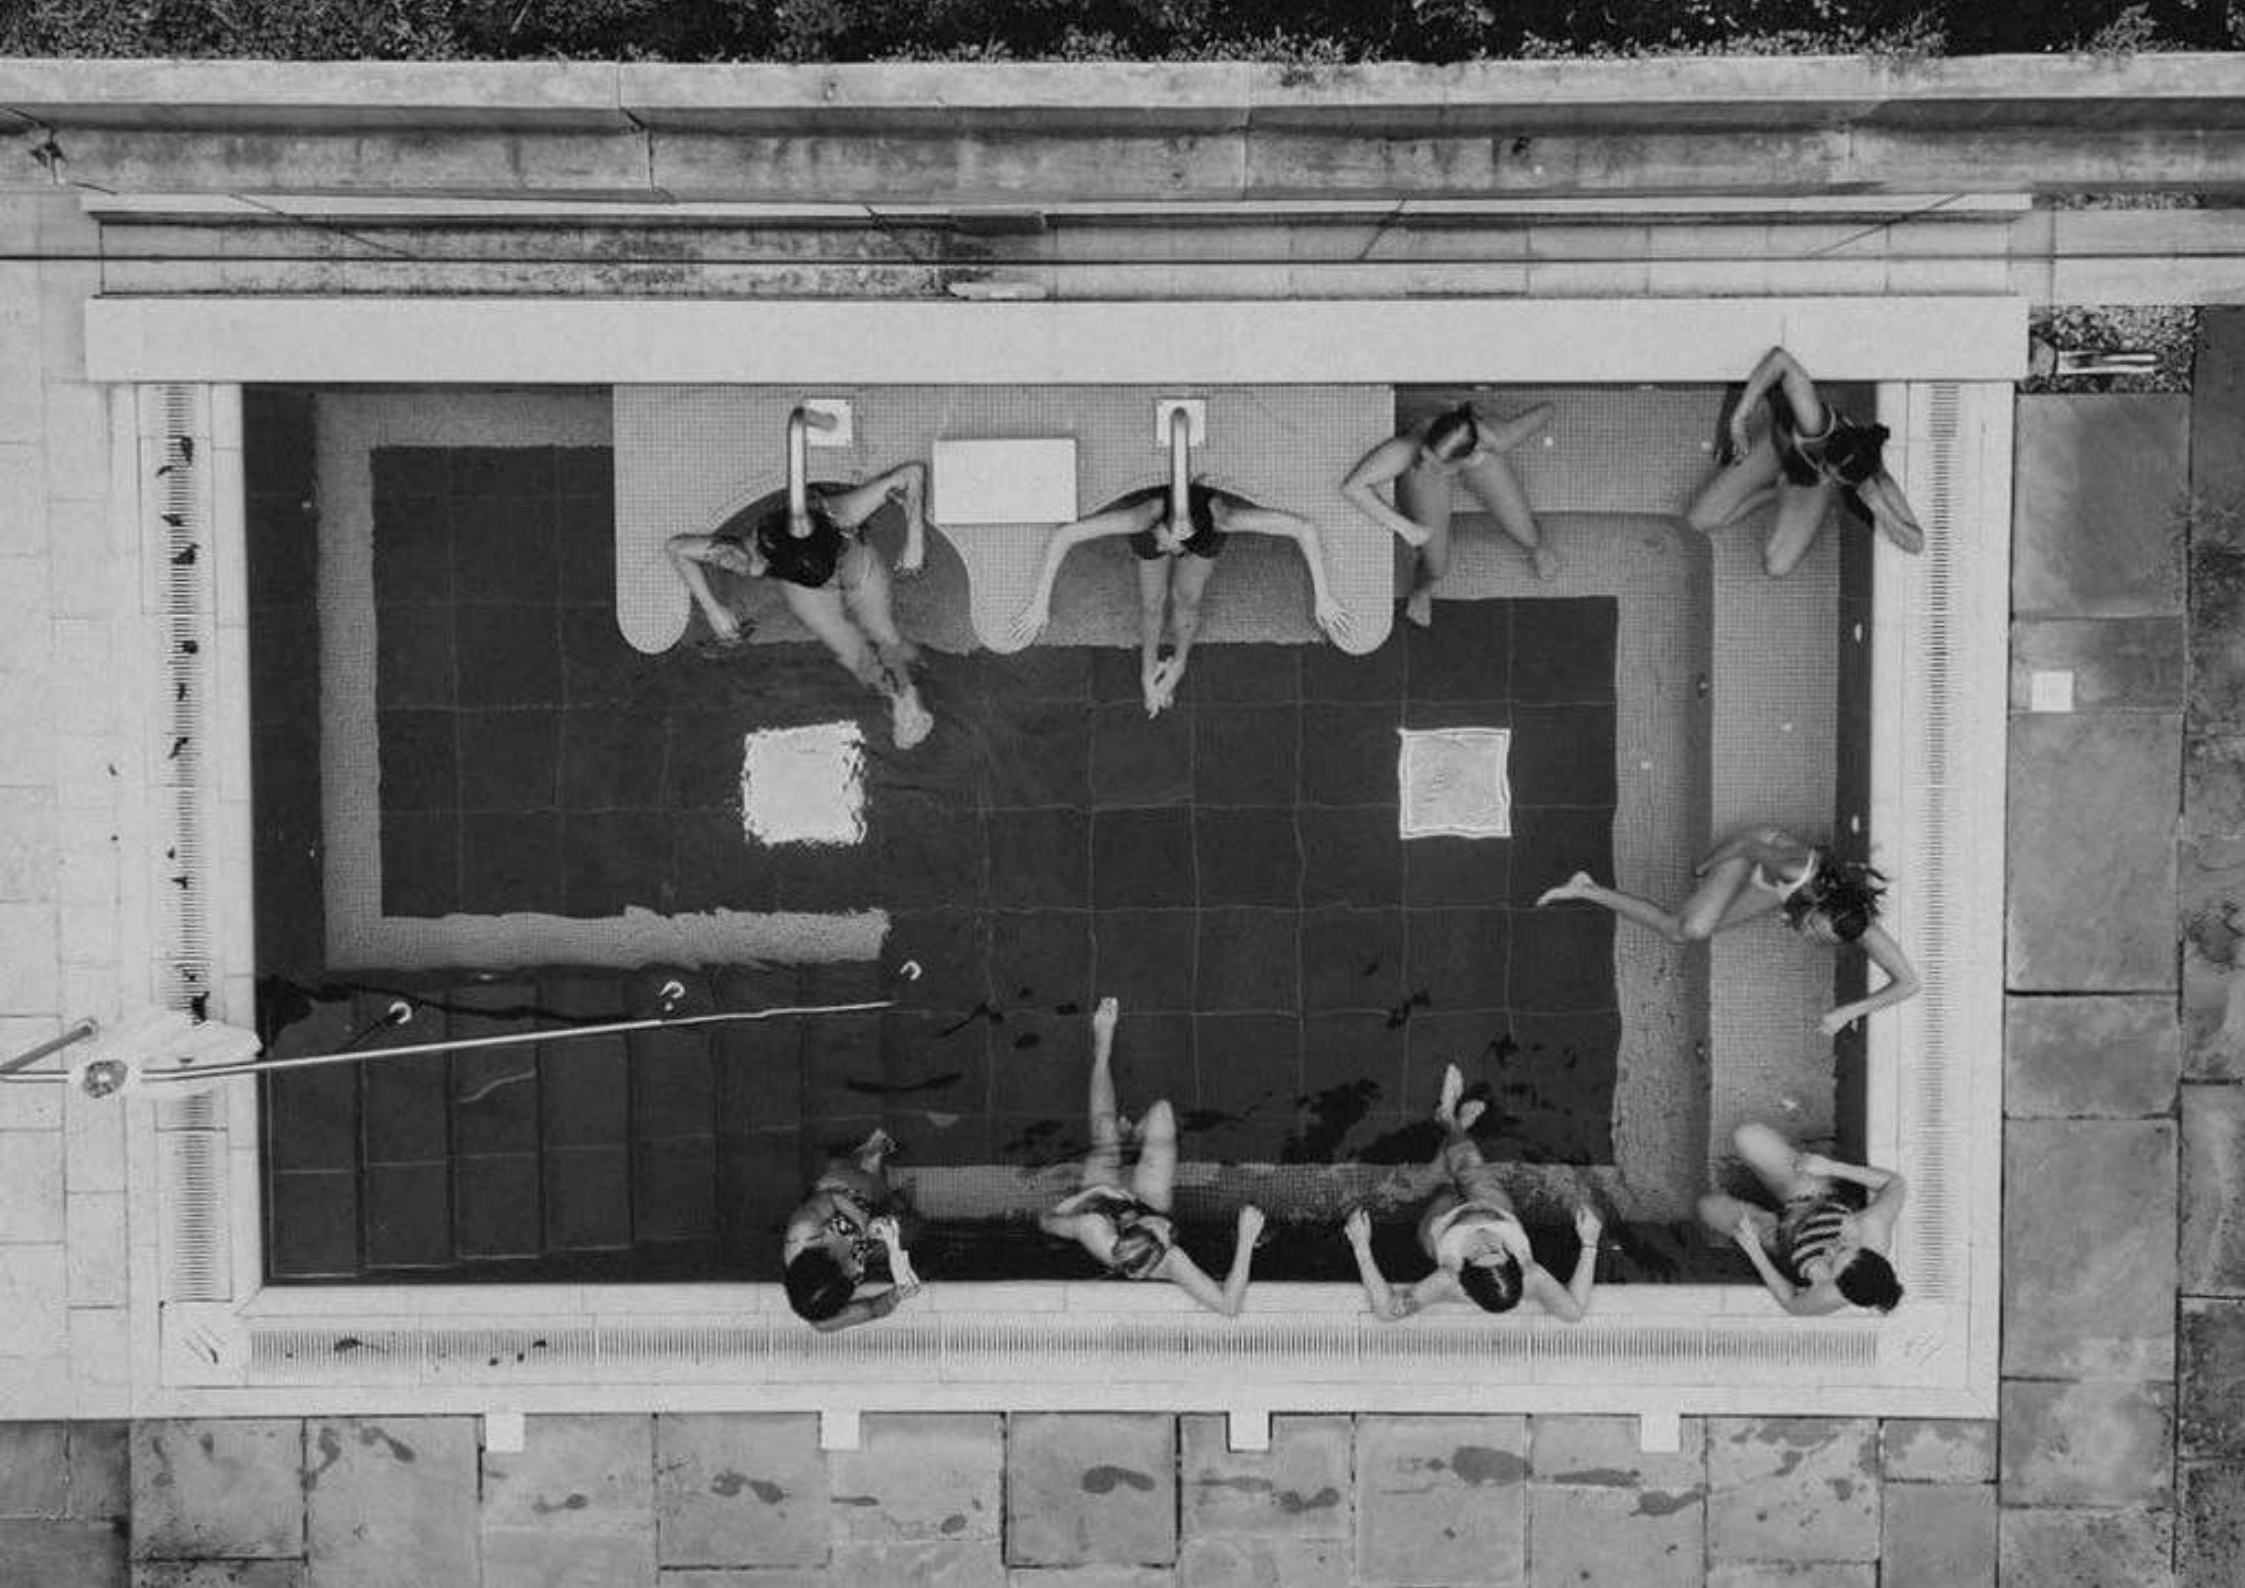

From hideaway rooms to a private and romantic Secret Garden Suite, Barnsley House can be your very own country house retreat where wonderful memories of your special day will be made and cherished.

Each of our rooms and suites feel unique. Your party will enjoy exclusive use of our garden spa with outdoor hydrotherapy pool, the “herbivarium” with sauna and steam room perfect for some relaxation before and after the big day.

There's also our 30-seat private cinema where you can put your feet up the night before your wedding and enjoy your favourite movies with family and friends.

# Feast

## Your wedding feast...

Your guests can enjoy a Champagne (or any other drink of your choice) and canapé reception after the ceremony in the beautiful setting of our gardens. Alternatively, our lovely lounges or relaxed cocktail bar in the main house could be the perfect setting for your drinks reception.

The Potager restaurant overlooks our gardens and can welcome up to 60 guests. For a larger party, we can host up to 140 guests in a marquee in the meadow next to the gardens.

Your wedding menu will be tailored to you and created by our Executive Chef, John Jewell, varying from a three course traditional wedding breakfast to a sharing feast. His dishes showcase the wonderful home grown produce from our vegetable and herb gardens and top quality local ingredients.

# Dream

## Start your story...

At Barnsley House we offer exclusive use of the hotel and its facilities for a minimum of one night Sunday to Thursday or two nights over a weekend with the wedding taking place on the Saturday.

For over 60 guests, a marquee is required on site for wedding breakfast and evening reception which would need to be hired independently. Once again we would be very happy to assist.

In need of some inspiration? From how to spend the night before your wedding, to styling tips we've got plenty of ideas to share on how to create your perfect wedding at Barnsley House.

We're only ninety minutes from London, perfectly placed in the centre of the small, idyllic Cotswold village of Barnsley, 4 miles from Cirencester.
