Ordering

Your picnic will be prepared by our Garden House chefs, at a time decided by you. It will await you in The Potting Shed, from where you will be shown to your personal picnic spot.

Requests for picnics are to be made up to 10am the day before.

Picnics are available for 2-8 guests.

Every care is taken to avoid any cross contamination from allergens during preparation. We do however work in a kitchen that produces allergenic ingredients. We are not a nut free establishment and nuts from parts of our menus are offered freely. If you have any specific allergies or concerns, please let us know.
