WELCOME

ETHOS

At The Coach House, our ethos is simple. We believe in a holistic approach to wellness that is natural, nurturing and grounded. As you nourish your body and mind with food, exercise and rest, we aim to compliment your stay with our wide array of treatments and offerings.

NATURE

Nature is calming which is why we have brought her into The Coach House... Beaverbrook's Head Gardener of 13 years, Elliot Beveridge, has sown an apothecary garden with medicinal plants and flowers that we use in treatments and teas. Herbal tinctures and remedies are also available in The Boutique & Apothecary.

We partner with a range of boutique brands from across England, all of whom work in an artisanal way and share our 'natural' ethos and passion for botanical active ingredients. We take nature's healing powers even further for guests who consult our resident Naturopath.

ARTFUL DESIGN

Light and water ripple through the spa bringing it alive with the essence of nature. In an imaginative design by multi-talented artist Brian Clarke, elemental aspects of the surrounding landscape flow into the spa - leaves, flowers, even the sky itself, infuse the uniquely devised spaces.

EXPERTISE

Our wish to create a lasting experience for our guests lies behind our very personal approach. While treatments are listed to help you choose, your therapist can tailor your choice to meet your specific wishes.

FACILITIES

THE INDOOR POOL

The indoor pool is perfectly suited for relaxation. Children's swimming hours are between 10am-12pm and 2:30pm-5.30pm. Parents must accompany children under 16. Full Terms and Conditions are available at The Coach House. Families with children under 13 are asked to use the family changing room.

THE THERMAL SPA

The Thermal Spa offers a natural, tranquil atmosphere and includes a jacuzzi, steam room and sauna. The English Bath House, a variation to the traditional hammam is available for individual treatments.

THE GYM

The Gym sits on the first floor of The Coach House with lots of natural light and views over the landscape. Equipment from Technogym Artis, free weights and a private stretching area are available.

THE DELI

Serving juices and snacks throughout the day, as well as wholesome and tasty flatbreads and salads at lunchtime from 12pm-3pm (longer lunch hours on Saturdays).

THE BOUTIQUE AND APOTHECARY

Offering a range of beauty products, apparel, and jewellery and gift items.
