

SIR FRANK'S BAR

A Warm Welcome...

Our elegant bar is named after our creative director

Sir Frank Lowe

Curator of Beaverbrook's unique range of artwork collections, rare collectables, and myriad of historical and whimsical treasures.

Our cocktail menus incorporate the history and character of each property, meaning each bar offers something different which allows the team to tell the story.

Sir Frank's Bar here on the estate is our signature bar with cocktails that reflect beverages enjoyed by past guests hosted by Lord Beaverbrook. We use traditional and contemporary techniques, liquors and flavours to create the authentic taste of a bygone era.

The Robin's Nest at The Garden House on the Estate features fresh and scrumptious produce from the kitchen garden.

Cocktails at Sir Frank's Bar in Beaverbrook Town House in Chelsea take inspiration from London theatre shows.

With over 40 years in hospitality industry, I am proud to be part of the Beaverbrook Experience, where we serve unique and classic beverages for guests to enjoy surrounded by opulent glamour and style.
