

## **Breakfast and Dinner**

During these new normal times we are running our food and beverage operation with less staff and restricted bar and restaurant seating in line with social distancing and new guidelines advised by the government.

### **Breakfast**

Breakfast is served from 8am-10am on a first come first served basis. Due to restricted seating there will be waiting times for tables during busy times especially weekends. Below is a guide to help you if you do not have the time to wait for a table

8am-9am – Should be fine with no waiting times

9am-10am These are the busiest times where waiting for tables will be probable

10am – Slowing down and seating should not be a problem

### **Dinner**

Booking the restaurant is strongly advised for you to get the time that you require and chance to dine in our Kitchener restaurant. Walk in bookings cannot be guaranteed. If seating is not available, you are welcome to order food in the bar and lounge, but there may be a wait during busy times of 7.00pm-8.30pm

We thank you for your understanding and hope that you can help us help everyone to stay safe.
