

## CALCOT & SPA

### *Dining at Calcot*

*For the time being we've combined the menus across both our restaurants so that we can allow the teams in the kitchens more space to work safely. The menus therefore may look a little different, but still feature many of the old favourites. The same menu is available in both restaurants.*

*In line with government regulations we will ask you to vacate the restaurant by 11pm and our bars will close at 10pm*

*We will ask you to pour your own wine and water too but will be on hand if you need anything!*
