

it's time for
THE CLEA HALL
STORY

Clea Hall **is a** Holiday Park.

**This means it is a place
where I can have a sleep
over away from home.**

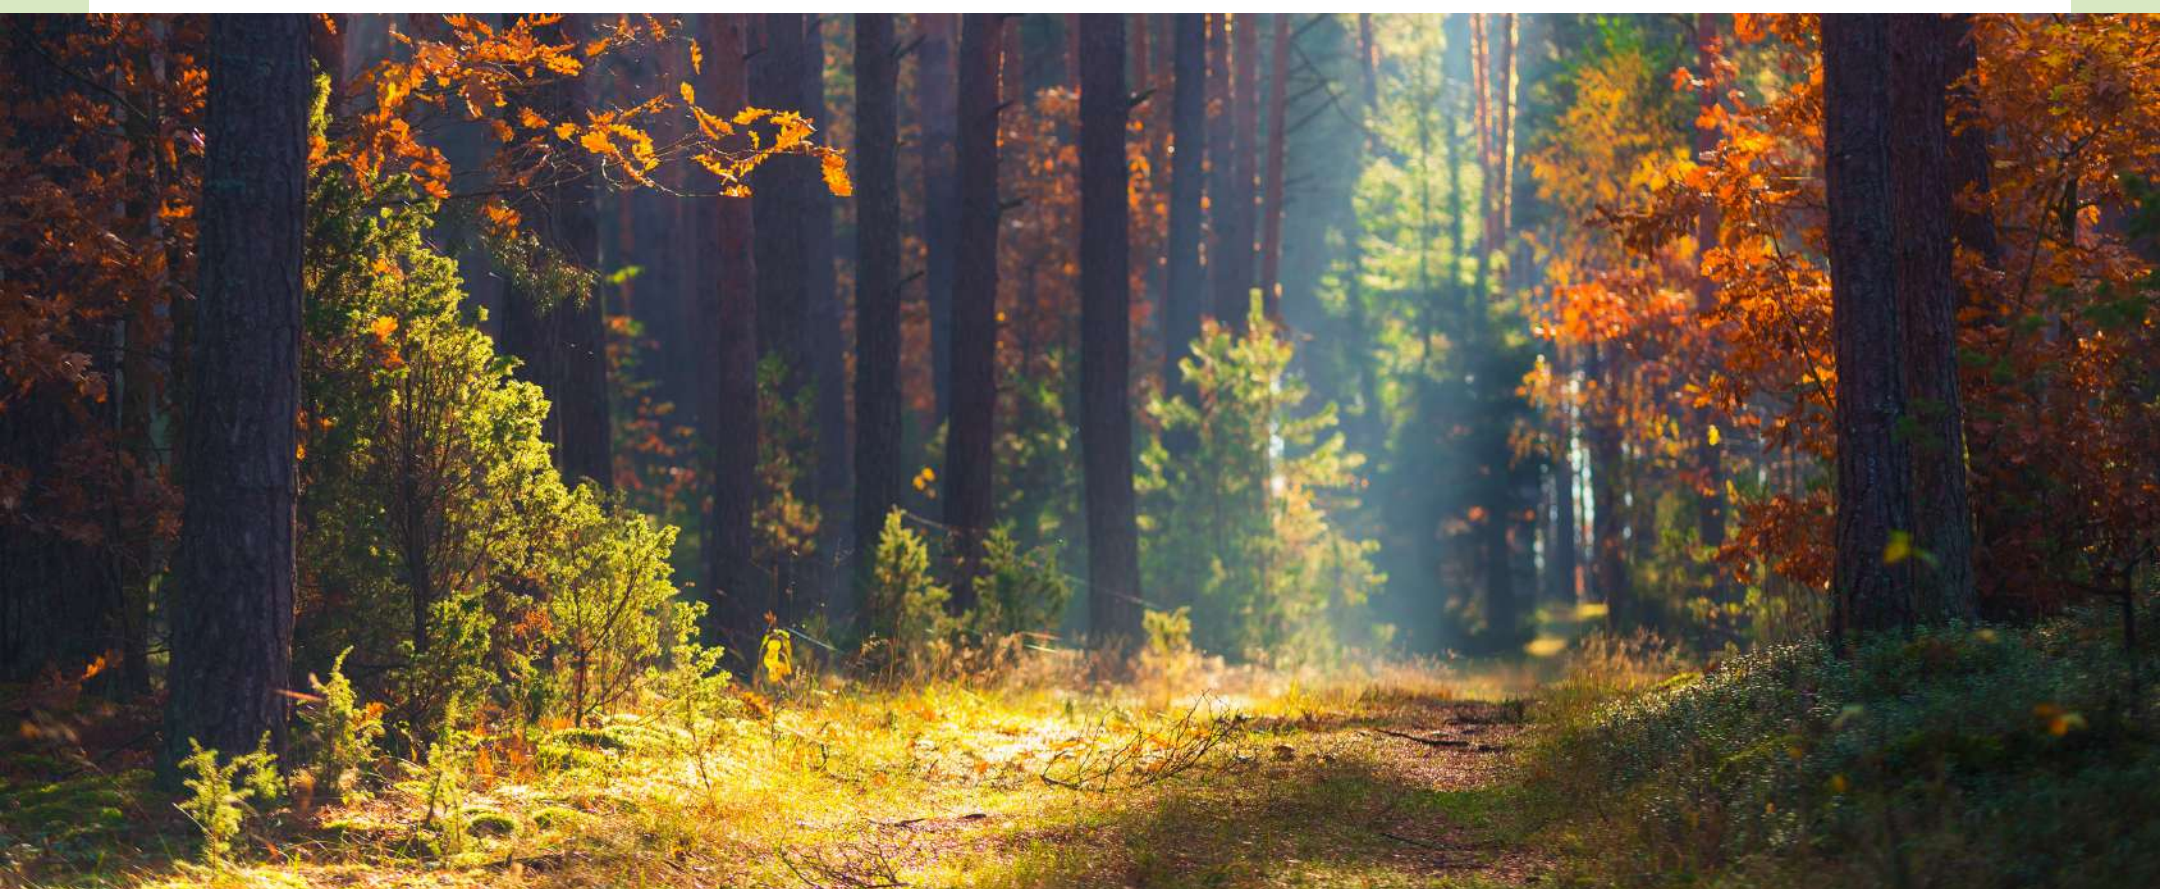

I might hear:

On a walk

Dogs panting and having fun

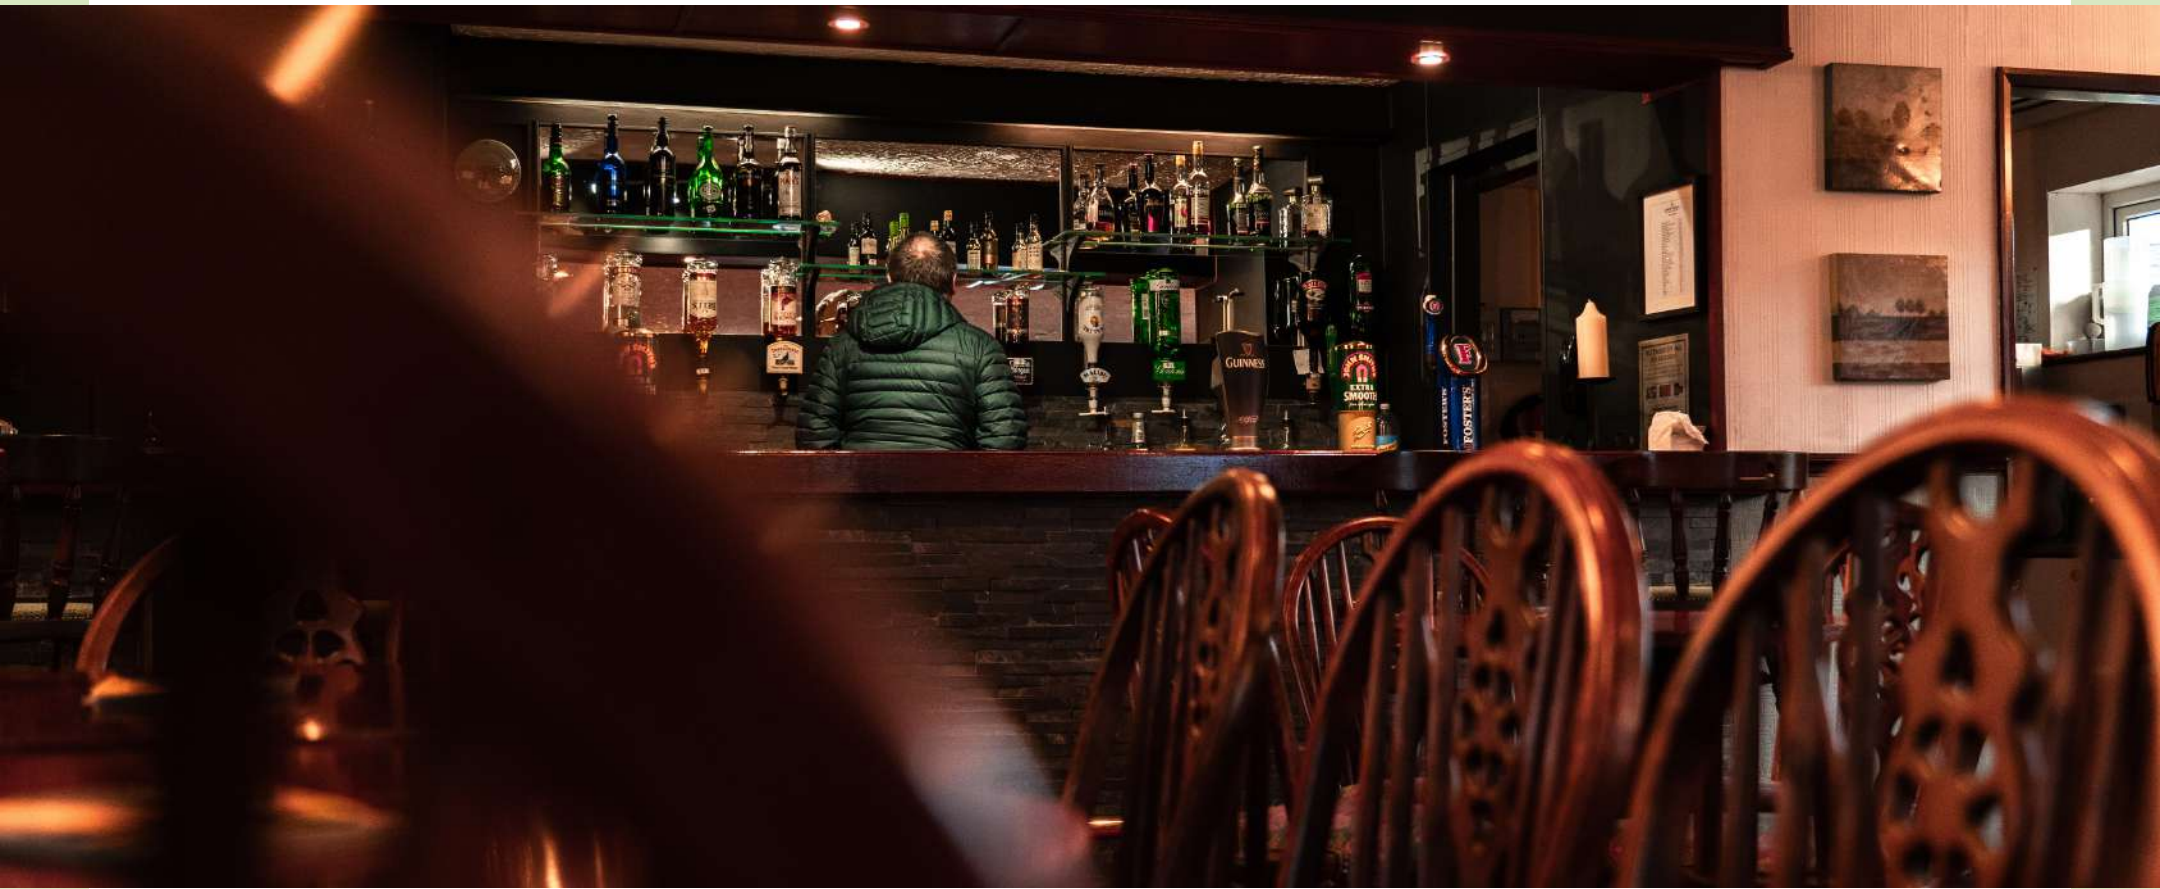

In the woods

Trees rustling, mud squelching

I might hear:

In the tavern

Glasses clinking, music playing

Around the park

Birds singing

Outside I might see:
At the front of the park

The play area that I can enjoy
Around the Park

Lush green and cream holiday homes and brown lodges

Outside I might see:

On a walk

People with their dogs

On our way to a local town

Small winding roads

Inside I might see:
In reception

A friendly member of staff
In my holiday home

The kitchen where we will cook our food

I might see:
At our holiday home

A soft pair of twin beds

I might smell:
In the forest

Pine trees
In my holiday home

**Food from the kitchen where my
family cooks dinner**

I might smell:
On a walk

The sweet smell of flowers
Outside in the park

The smokey smell of a BBQ, yum!

I might taste:
When it rains

A rain drop!
In a nearby town

**A cold ice cream from the local
shop**

**I might taste:
At our accommodation**

**Delicious food we
have cooked**

I might touch or feel:
In a forest

The rough bark of the trees
On a tree branch

The smooth cold leaves

I might touch or feel:

At the play park

The bark chips underfoot

On a walk

The soft grass underfoot

**Most of all, Clea Hall
is a place where...**

**I can spend
time with my family and
explore the outdoors.**
