

Nostalgia

The word ‘nostalgia’ is a Greek compound, consisting of the word ‘nostos’ (νόστος) meaning “homecoming” and the ancient word ‘algos’ (άλγος), meaning “ache”. Nostalgia is associated with a yearning for the past, its personalities, possibilities, and events, harking back to “the good old days” and the comfort of a warm childhood. We have created this list to bring you the flavours and aromas that we experienced when we were young and to act as reminders of life’s special moments and occasions.
