Grand Cru Coffee

We use Grand Cru Espresso Bean for our coffee. This is 100% Arabica espresso coffee beans blend. It has the best Kenyan AA Grade beans for acidity, citrus notes and a chocolate after taste, Brazilian Fine Cup beans from the Minas Gerais Plateau to give a full bodied nutty base, and high grade arabicas from Honduras to add fruitiness and a subtle sweetness.

Newby Teas

Newby teas are renowned for uncompromising flavour that mirrors the character of their source. No other tea brand, locally or internationally, has the same rigorous standards, placing Newby at the forefront of the luxury tea industry.
