

THE ELVETHAM  
HAMPSHIRE

# Raise £25,000 at The Elvetham

We have hosted many charity balls and events over the years and take great pride in seeing the money raised going to such great causes, raising up to £25,000 pounds for your charity takes a little organisation, an auction and some ticket sales, but we'll do the rest!

From late November through to early January our winter marquee seats up to 320 guests, and is simply the ideal space in which to host your fundraising event. Throughout the rest of the year, host your fundraiser in the elegant surroundings of our Main House for up to 120 guests.

Our friendly and experienced events team will be on hand to help you every step of the way making the preparation stress free and successful.

## How does it work?

We hosted a fabulous ball for a longstanding local Children's charity where the charity raised **over £25,000** after all costs. The success of this event was due to strong ticket sales an exciting auction and a raffle which took place before and during the evening.

The charity sold 300 tickets for **£75.00** per person and sold raffle tickets prior to the event and throughout the evening.

The evening included the following:

**19:00** Drinks reception in The Conservatory and The Top Hall

**19:45** Master of Ceremonies

**20:00** Audio visual presentation

**20.25** 'Heads & Tails' fundraiser

**20:30** Dinner (three courses)

**22:30** Fundraising Auction

**23:00** Casino and disco

The Children's charity combined a fun filled evening with entertainment and fundraising. We received some excellent feedback from the Charity organiser for the event who said:

*"We would like to thank The Elvetham, who have been amazing in helping us to plan a very successful fundraising evening. The funds raised by project group are vital in continuing to provide and improve these essential services."*
