2. You will come to a gate by North Lodge Cottage – there is a walk-way to the left of this. Carry on to the road. Turn left and immediately after the bridge turn right by the side of two cottages.

3. Follow the footpath around the side of the fields. Make sure you turn right at point 3 marked. Carry on following the edge of the field until you come to a barn.

4. At the barn turn right onto the footpath at the side of a field and follow along the stream and willow trees until near a detached house with walled grounds. Here you will come to a very quiet country road, Turners Green Lane.

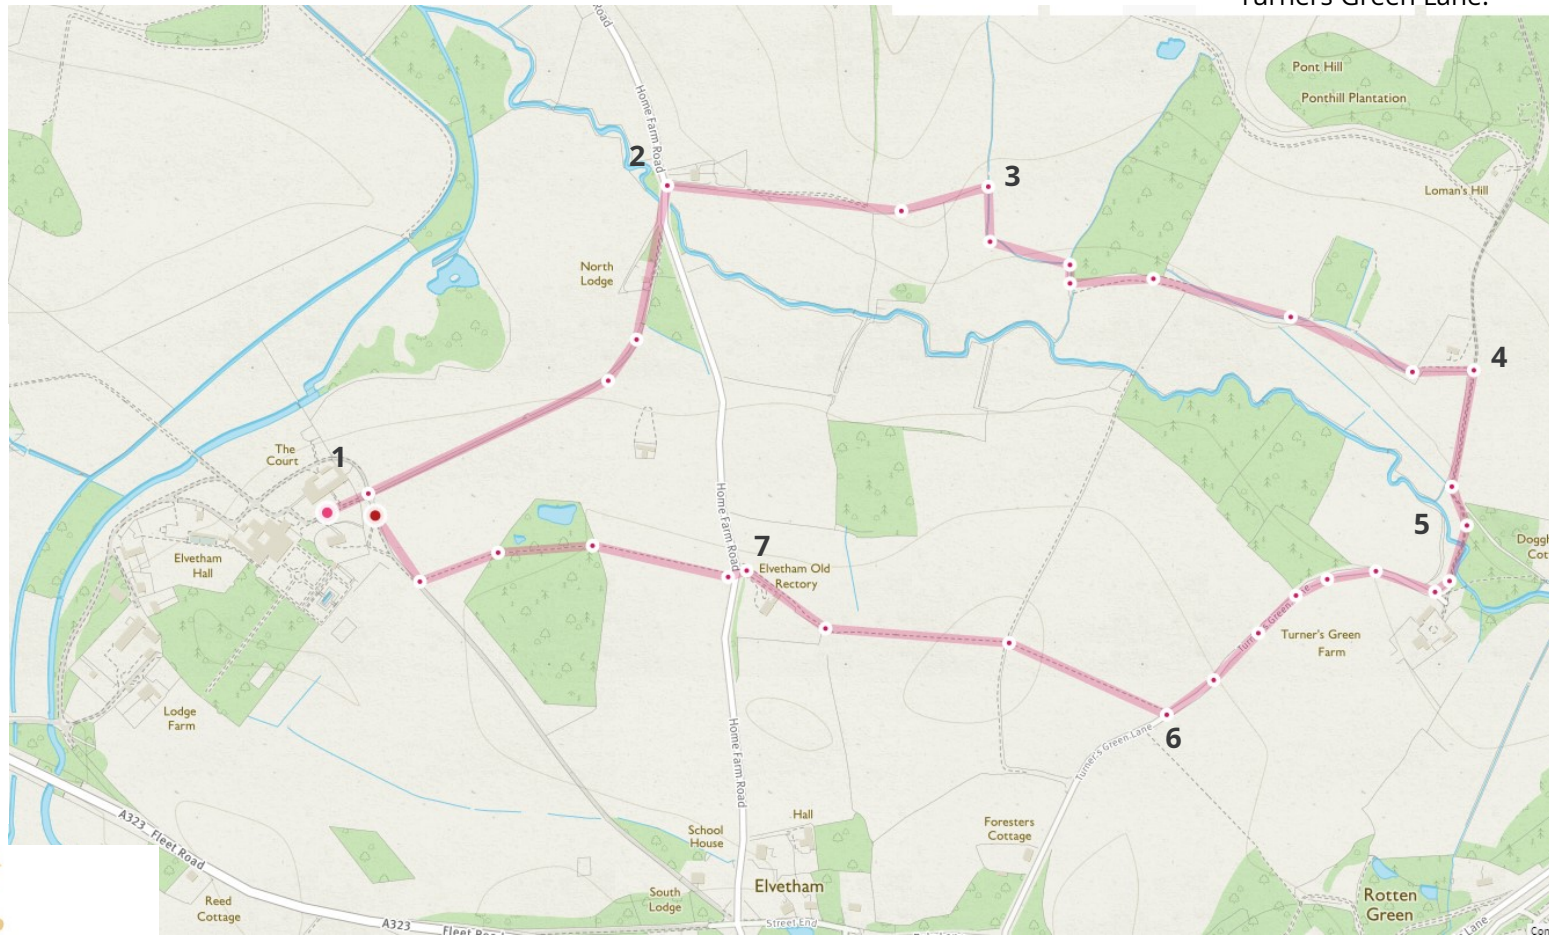

5. Follow Turners green lane until you come to a footpath sign and style on your right hand side.

6. Go over / through the style and follow path through the centre of two fields. You will come to a road.

1. Set out from The Elvetham down the long straight track, the church will be on your right hand side and The Court building on your left.

7. Cross the road and follow the path through the centre of another field leading into a copse of fir trees. Follow the path through the trees to the end and then into the final field leading back to The Elvetham Church.
