Charity Request Policy

Please find our policy regarding your charity request, we genuinely appreciate you thinking of us and charities are always at the forefront of our minds.

As I am sure you can imagine we get approached with requests to support multiple charities or fundraising events every week.

Together with our great team we have a number of special causes very close to our hearts so we regularly hold, or support, fundraising events and take part in local and national events to raise money, awareness and aid.

We understand you contacting us and admire your dedication to the cause you support, however, while we so enjoy hearing and reading about all the amazing work that goes on we have reached a point where we cannot make meaningful contributions to some charities without risking offending others. So, with this in mind we have adopted the following policy with regards to our charitable donations.

1. We sponsor all members of our team who carry out personal fundraising by making a cash donation equivalent to 5% of the total amount they have raised. (to a maximum donation of £100).
2. Should any registered charity hold a fundraising event in the Fairlawns banquet facilities we will donate an appropriate raffle prize to help fundraising efforts and also donate 5% of the hotel food and bar sales generated to that charity in the form of a one off cheque donation. If you would like to run an event please email events@fairlawns.co.uk
3. Fairlawns offers free meeting rooms in the evenings to any registered charity. This is subject to availability less than 8 weeks prior to the date of the meeting. Rooms are available to any charity twice annually, for a maximum of 24 guest, from 6.00 pm -10.00 pm Monday – Thursday. If you would like to take advantage of this please email events@fairlawns.co.uk
4. As part of our team building, we regularly encourage the team to take part in national or local events – stay tuned on the charity page on our website to keep up-to-date with the latest events and if you have any suggestions please don't hesitate to email us www.fairlawns.co.uk
5. Fairlawns will consider 'one off' charitable donations to any community facility or equipment fundraising event within that benefits communities with a (Walsall) WS Postcode. To apply for one of these please email johndp@fairlawns.co.uk personally.

We hope you agree this is a fair way in which to make an impact within the community and support charity in a sustainable and measurable way. Should you wish to contact us on any of the above matters we will be very happy to hear from you.
