

Let the sounds take center stage and experience a night of epic music, festive food and flowing champagne...

We're all about the music and the festive season is no different. Celebrate with friends, colleagues or family at our DJ and Sax evenings in December.

A fitting genre of Bar Grooves sets the post-dinner vibe, before ramping up the scenes to include old school and deep house. Be mesmerised by the unmistakable sounds of the sax during the night as you sip your favourite cocktail, enjoy the sounds and dance the night away.
