ENGLISH BREAKFAST

A traditional blend of Sri Lankan broken-leaf teas that produces a coppery liquor with an assertive aroma. The flavour is bright and brisk.

FRENCH EARL GREY

Earl Grey gets a French twist which is oh-so-fruity! A medium-bodied black tea base with pretty petals and notes of fruit that play with classic bergamot in an inspiring, bold and refined infusion.

MELBOURNE BREAKFAST

A deep and warming tea with a hint of sweetness, reminiscent of Melbourne. Full bodied with a touch of vanilla. An essential tea.

JUST PEPPERMINT

Lush peppermint leaves create a bright infusion, hot or cold. A well-rounded flavour captures the sweet essence of all things minty with a cool lingering aroma to freshen your day.

LEMONGRASS & GINGER

With a hint of zest and a whole lot of spicy bright lemongrass, this brew smacks you sideways with a refreshing sensation that's as vibrant as it is engaging.

GORGEOUS GEISHA

With a hint of zest and a whole lot of spicy bright lemongrass, this brew smacks you sideways with a refreshing sensation that's as vibrant as it is engaging.
