

The four-star, boutique Hotel Felix provides the perfect venue for a wide variety of events. With ample grounds for team-building and free parking for up to 90 cars. Its tranquil setting is conducive to meetings, small conferences and away days.

The main building, a beautiful Victorian Villa, dates to 1852 and whilst many of the original features have been restored, these have been complemented by modern and stylish interior design. Since opening in November 2002, this privately-owned hotel has gained an enviable reputation for its range of individually-designed bedrooms, from standard doubles to spacious Premier rooms and Junior suites, award-winning food served in vibrant surroundings, a choice of light and airy meeting rooms and a high level of service delivered politely, efficiently and always with a smile. Based on the understanding that no two events are the same, our approach is to also offer a high degree of flexibility.

Our fifty-two bedrooms have king-size beds with Hypnos mattresses, bathrooms with under floor heating, Luxury toiletries and a range of additional facilities including flat screen television, laptop safes, direct dial telephones and free WiFi.

For meetings, conferences and private parties we have four elegant reception rooms, complete with WiFi and air conditioning, which also lend themselves perfectly to private dining. Atlas, Calypso, Phoebe and Hyperion can seat from 6 – 60 people.

Our Head Chef has created an exciting range of menus, inspired by fresh seasonal produce. These can be tailored to suit your specific requirements and we are happy to cater for any dietary requirements that you or your party may have.

Hotel Felix has good access to the A1, M11 and A14 and is a five-minute drive from central Cambridge. Taxis are readily available to book through the hotel and there is a direct bus service to the Cambridge city centre from the main road. Minibuses or coaches can also be arranged.

DIRECTIONS TO HOTEL FELIX From London M11

Do not leave the motorway at Junction 12 (the sign only shows Huntingdon straight on). Leave the motorway at Junction 13 and follow the A1303 into Cambridge, past the Madingley Park and Ride car park and Churchill College. Going past Churchill College, turn immediately left into Storey's Way and follow the road until you come to the junction of Huntingdon Road. *Please note that a part of Storeys Way has a 2m width restriction.* Turn left onto the Huntingdon Road A1307 and drive away from the city centre for about ½ mile until you see The Travellers Rest pub on your left-hand side. Immediately opposite, turn right into Whitehouse Lane and the hotel is on your left.

From Newmarket A14 East

Follow the A14 and leave at Junction 32. Take the B1049 Histon Road into Cambridge. Follow the road, passing through a set of traffic lights and continue until it meets the junction of Victoria Road and Huntingdon Road. Turn right at the first set of traffic lights and right again onto Huntingdon Road at the second set of traffic lights by the now disused Texaco garage. Drive away from the city centre for about 3/4 mile until you see The Travellers Rest pub on your left-hand side. Immediately opposite, turn right into Whitehouse Lane and the hotel is on your left.

From Huntingdon A14 West

Follow the A14 until you see a fork in the road. The A14 towards Newmarket will be the left-hand lane and the M11 will be in the right-hand lane. Follow the middle lane, the A1307 into Cambridge. You will go past Girton College on the left and then a BP garage. Immediately after the garage, there will be a turning on your left. Continue past this, but take the next turning on your left into Whitehouse Lane. This is situated opposite The Travellers Rest pub on your right. Continue down Whitehouse Lane and Hotel Felix is on your left.
