ROOFTOP BAR

GESCHICHTE DES COCKTAILS

Das Cocktailmixen hat eine lange Tradition. Ursprünglich stammt es aus den Vereinigten Staaten und es gibt verschiedene Geschichten über die Herkunft des Cocktails.

Die wahrscheinlichste spielt in New Orleans und handelt von einem französischen Apotheker, der einen Brandwein Mix ausschenkte. Als Trinkgefäß dienten Eierbecher, die im französischen als "Coquetier" bezeichnet wurden, und als „Cocktail“ in das Amerikanische übernommen wurde.

Seit 1810 nennt man alle alkoholischen Mixgetränke Cocktails. Um 1900 kam die Mixwelle nach Europa. In Deutschland hatte nicht nur jeder Verein, sondern auch jedes Regiment einen eigenen alkoholhaltigen Drink.

THE SURPRISING HISTORY OF THE COCKTAIL

Mixing Cocktails has a long tradition and you can only imagine - there are countless origin stories, some really good, some not so much. But, most likely it was a french pharmacist from New Orleans who could take credit for mixing the first cocktail. He mixed various distilled wines and served his signature drink in a «coquetier» (french for egg cup) which the Americans later changed to «Cocktail».

ROOFTOP BAR & COCKTAILS

We unite local traditions with cosmopolitan lifestyle and create this unique atmosphere that surrounds you. Combine this with constant innovations, culinary art, fresh seasonal homemade ingredients, add a dash of entertainment and you end up with the perfect mix.

Welcome to the Rooftop Bar ...
