THE BAIRD

A truly flexible space, The Baird delivers for board meetings, drinks receptions, small exhibitions and even private dining.

Located just off our fantastic terrace it is accessible while still secluded from the hustle and bustle of the city and can be used to keep your meeting focussed or create an intimate feel.

THE TERRACE

The outside terrace is the ideal spot for summer BBQs, drinks receptions and team building events, as well as a fantastic breakout space for conferences. The area is heated to stop your guests from getting chilly, and if the weather turns, the retractable roof can be opened or closed in just 45 seconds.

THE BROUGHTON

The Broughton suite teams the old with the new to create something spectacular. The ornate cornicing and period features married with Swarovski crystal lights and state of the art technologies give the suites a twist of modern luxury, while keeping the historic topographies.

The Broughton suite provides seating for up to 96 people in a banquet format or for stunning corporate colour matched presentations.

THE RAEBURN

The Raeburn Suite combines classical Georgian features with contemporary design and facilities.

The room is able to seat 120 people banquet-style, with space for 200 people for a reception. This space is incredibly versatile and can be used to host weddings and private parties, as well as large conferences and networking events.

THE YORK

The Broughton and Raeburn suites are brought together magically by sliding an imperceptible audio proof wall to create the hugely impressive York.

This is a space for gala dinners, fashion shows, performances, trade shows and exhibitions. Massive screens are available with the latest technology in ambient lighting, projection and sound to give your event a fantastic buzz.
