cottonmill

The spa at Cottonmill is a vision of unprecedented, internationally informed excellence. Conceived as a global leader, its founders have roamed from Utah to the Himalayas and everywhere in between to bring you a unique blend of ancient wisdom and leading-edge technology in a place you can call your own.

Cottonmill has also partnered with ELEMIS and Aromatherapy Associates, two British innovators of the spa world whose products and advanced treatments continue to challenge, develop and reconfigure the beauty industry.
