

South Causey Inn

Get to know us

We are a small family business with a wide team of staff. Some of our waiters and chefs are young and being given their first venture into the world of work under the watchful eye of our senior team. Many stay with us and begin a long term career in hospitality and it is a pleasure watching them develop into section managers and beyond across all departments.

To see customers enjoying their time with us, good service, a great meal in a convivial atmosphere and to be part of a celebration or gathering of two old friends is the reason staff stay in the hospitality sector.

If something is right, feedback is always welcome but if something is wrong, our staff need to know so they can put it right immediately. We cannot make any situation better after the event and we are passionate about wanting you and your company to enjoy your time here as much as we do.

Warmest regards,

The Moiser Family and All of Team Causey
