

# The Vineyard's Short List

Creating a list that satisfies all types of wine drinkers is definitely a challenge, but we believe we've done it. The short list, with over 100 wines available by the glass or carafe, like our long list is a work in progress, continually changing to showcase the best of what we have to offer.

We recently won 'Best Choice of Wine by the Glass' at the recent Champagne Taittinger Condé Nast Johansen's Wine List Awards 2014. The judges said "The list ticks all the boxes, but an outstanding feature in particular is the wide selection and adventurous choice of wines by the glass which encourages the diner to experiment and enjoy being tempted. A stand out winner!"

We hope you enjoy our selection, and please do not hesitate to speak with one of the team if you need any assistance, or a top up!
