

Staying Safe Together Play Safe, Stay Safe

- During the early stages of golf reopening we will only allow two balls on the course and follow social distancing measures.
- Initially we will prioritise the course for our members and member guests moving towards tee times for all.
- Our driving range is open.
- Bookings and fees will need to be made online or over the phone.
- All tee times must be pre booked, no player will be allowed to arrive and tee off without pre booking.
- Please arrive 10 minutes before your tee time and dressed ready to play. Please change your shoes in the car park.
- Tee times will be spaced 10 minutes apart.
- As much as we'd love to see you, please remember to stay alert and follow government advice.
- All course furniture will be out of action, including bins, bells, divot boxes and ball/shoe washers, so please be very careful on blind tee shots and approaches.
- Please don't touch the flags, there won't be any serious competition golf for a while so keep it friendly, don't worry about holing out putts & play 'gimmies' from a putter's length!
- Keep the speed of play moving so that you are always equidistant between other people on the course.
- You may come across local residents who have got used to walking the course during their daily exercise. Please stay safe together.
- We will increase our cleaning rotations especially on 'high touch' areas. Please help us to keep the golf course litter free.
- After your round, give us a wave and please leave swiftly (whilst the bars and restaurant remain closed).

We thank you in advance for helping us to comply with social distancing, thereby letting us all enjoy the game of golf in these difficult times.

If at any stage you think we can do better, please let us know, we want to learn, get it right and stay safe together.
