

THE PAINSWICK  
*New Year, new Ewe!*

**Our New Year's party has all the makings of a top-notch shindig, so come and welcome 2022 in style!**

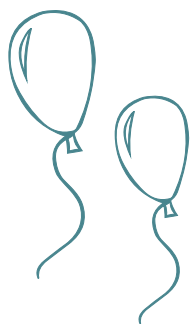

We'll kick off the night with a celebratory Champagne and canape reception, followed by a sumptuous five-course feast. The house is then your dance floor to shimmy the night away to our live band ready for the countdown to midnight!

Enjoy a hangover breakfast-come-brunch the following morning, then take advantage of a spot of fresh Cotswold air... or kick back and laze around in our cosy lounges... whatever your cure!
