

BECOME A NATURE DETECTIVE THIS FEBRUARY HALF TERM

KING OF THE
CASTLE
tregenna

COME AND JOIN IN THE FUN!

MONDAY 17TH FEBRUARY

Search the grounds for minibeasts
Look around the castle grounds for critters and identify them using your very own bug jar with magnifying lid.

TUESDAY 18TH FEBRUARY

Embark on a woodland wander
Make wooden magnifying glasses before searching for the animals and plants listed on your exploration sheet.

WEDNESDAY 19TH FEBRUARY

Collect and colour
Search for evidence of animals living in the woods and colour in the pictures of any plants and flowers you are able to identify.

P.S. Don't forget, you'll need to bring a parent with you on our nature walks. Plus, be sure to wear sensible shoes and clothing as things may get a little muddy!

THURSDAY 20TH FEBRUARY

Make your own birdhouse
Learn about local species through a fun word search, decorate your own birdhouse, and go bird watching around the castle grounds.

FRIDAY 21ST FEBRUARY

Learn how to become a flower expert
Make your own flower pot before exploring the castle grounds to discover different types of flowers using your ID pack.
