

Tregenna Castle Resort, boasting an 83 bedroom Hotel, Self Catering, Golf and Leisure facilities, is located in St Ives, Cornwall. We are looking to recruit a full-time Linen Porter and dedicated Fogger, to join our existing Housekeeping team.

The role of the Linen Porter & Fogger:

Fogging is carried out in all of our rooms and self-catering properties prior to the Housekeeping Assistants going in to carry out their cleaning duties. You will be fully trained on how to use the specialist equipment. The task involves spraying a fine mist from a spray gun which is then left to evaporate, usually for half an hour. The task requires you to wear a chemical suit, gloves and sealed mask. The mist is exceptionally fine but is still effective in penetrating all areas to kill off the virus.

Once fogging is complete, you will check the linen deliveries that arrive at Tregenna Castle Resort on a daily basis and highlight any shortages of linen to the Housekeeping Management team. Once the linen is checked in, the daily linen required to service the bedrooms and Self-Catering properties needs to be issued to the Housekeeping Assistants working throughout the Resort.

As the bedrooms and properties are serviced, the Linen Porter is required to gather the used linen for sorting and bagging, ready to be collected by the Linen company.

The ideal candidate must have good numeracy skills as counting linen is a large part of this role.

This is a physically demanding job, and you will require a full driving licence, as use of the Resort's buggy is essential.

Here at Tregenna Castle Resort we offer you

- A great place to work
- Discounted food, beverage and accommodation rates
- Discounted Spa treatments
- Discounted access to the leisure facilities
- Discounted access to the 18-hole golf course

We are part of the AA Covid Confident Accreditation scheme and also have the local Tourist boards Green Good to Go tick award.
