Soneva Kiri Resort, Thailand

For a truly once-in-a-lifetime experience, look no further than the Soneva Kiri Resort in Thailand, which boasts its own 'Treepod' dining. Inspired by childhood freedom and creativity, the resort devised their own nostalgic escape, and created a personal dining pod for two in the trees. First, you are seated into a bamboo pod, then hoisted into the tropical foliage of Koh Kood's ancient rainforest. Gaze out across the boulder-covered shoreline as you indulge in gourmet Thai delights and amazing wine. The food is all delivered via zip-line, so there's great spectacle, too. If that's not enough, the hotel also offers 'destination dining', where you can choose a favourite deserted beach, waterfalls or jungle retreat for a secluded dinner.
