Intimate Wedding Package

Our Intimate Wedding Package is curated for 50 to 80 adults, allowing you to bring your closest family and friends together for a romantic wedding in the surrounds of Killeen Castle's 600-acre estate. Set in the Irish countryside, with a breathtaking castle backdrop.

With our one wedding a day policy, you can enjoy a relaxed celebration in intimate surroundings. Our team make the planning feel easy and help bring your dream wedding to reality.

Your Package Includes

Your celebration begins with a red carpet welcome, as your guests gather over Prosecco, bottled beers and a selection of canapés. When it's time to dine, indulge in a 5-course wedding dinner accompanied by wine. To raise a toast to the speeches a glass of Prosecco is served. After dancing & celebrating, light food refreshments are served. As the day draws to a close, the wedding couple can unwind in their complimentary guestroom and awaken on their first morning as a married couple.
