TO VIEW OUR WORK

WHAT WE DO IS VERY PERSONAL
THEREFORE WE DO NOT PROVIDE
SAMPLE DVD'S OF WEDDINGS.

WE PREFER TO MEET WITH YOU,
SHOW YOU OUR WORK AND
ANSWER ANY QUESTIONS.

SO WHY NOT CONTACT US TO
ARRANGE A PRIVATE VIEWING
OF OUR WORK AND TO DISCUSS
YOUR REQUIREMENTS FOR YOUR
SPECIAL DAY.

OUR STYLE

Multiple cameras used to give a flowing
artistic documentary style wedding video.

We produce a video that is unique and very
personal to you and your family.

We can tell your story from the beginning,
by including photographs of you growing up,
special moments or people, if you wish.

We capture the important details of the day.
The dress, shoes, flowers, personal items,
the rings etc.

We capture the events that you may not see.
The guest's reactions, inside and out side
views, so that you can share in the emotions
you both felt at that moment.

The audio is recorded with multiple portable
digital recorders to give you a high quality –
sound.

It is difficult to put our style in to words.
So why not arrange a private viewing where
we can show you samples of our work and
answer any questions you may have.
