

The Complete package for your Wedding or private function.

Providing a top class package that can entertain you and your guests, by playing custom styles and genres of music that you wish. With over 20 years' experience in entertaining from big night clubs to small clubs and intimate wedding venues.

PARTIES and WEDDINGS

Specialising in party nights!

Whatever it is your looking for 21st or surprise 40th DJ Jeremy has all your needs covered. Specialising in wedding nights, from your first dance to your last dance all your needs are catered for. I know how important your wedding evening entertainment is, and all of the small details that mean so much to you.

Reasons for choosing DJ Jeremy

I am an experienced DJ with a professional edge, I listen to my customers to ensure that all their musical needs are fulfilled. Presentation and dedication are the best. *Living locally in the area*.

Basic Package Your Kind of Style

As a professional Wedding & Events DJ, I make sure to offer my client a wide range of musical services to suit their unique needs and provide customisable choices they're sure to love. This package is always a hit and could be exactly what you need to make sure your event is one to never forget. Give me a call and schedule a consultation to see if this option suits

you and your upcoming event. – After a band.

VIP Package Take Your Pick

This is one of my most popular and frequently requested package types. My extensive

experience performing at events allows me to cater this style for a diverse array of audience types and sizes. Additionally, I am constantly adding more music to my repertoire and always consult with my clients to make sure they're happy with the song choices. – Full DJ service for the evening.
