There's space for weddings of all sizes, whether you want an intimate affair for 50, or a large-scale gathering of 340. Our chefs will work closely with you to create your perfect wedding menu – from canapés and light bites to a formal sit-down dinner and late-night snacks to keep your guests going until the early hours. As a wedding couple you will spend your wedding night in one of our Suites or Penthouses, with large windows & a king-size bed. There's also room for your wedding guests to rest their heads at Langtons Hotel once the party is over, so you can re-live the entire day again over breakfast on your first morning as a newlywed.
