Woodland Wedding

We have applied all our experience looking after couples here on their special day and developed a Woodland Wedding Venue that we believe will exceed the expectations of those looking for something nearer to nature and simply unique.

Imagine this....

Nestled in the 77 acres of wonderful woodlands Hazlewood Castle is home to, we have created the perfect woodland wedding venue where you can rely on the season to showcase some stunning natural views.

You're led down an arched tree lined path to suddenly find the most beautiful hideaway.

The sun pierces through the tall trees and reflects on the lush grass creating remarkable photo opportunities and lighting. The woodland pagoda over-looks the waterfall and ponds in a sea of flowers ready for your civil ceremony.

It's time to enjoy the Wedding Breakfast, as you all sit down under the trees in the tranquil settings. The Chefs are busy at the stone pizza oven and the whole roasted marinated beef is grilling on the barbecue.

You toast the occasion and marvel at the delicious home grown produce the buffet has to offer ready for you to devour.

The lights twinkling in the trees and the fire pits glow as the sun begins to set. As the night closes you can sit around the huge stone fire pit, relax and toast some marshmallows.

The DJ's ready to get the party started, the dancefloor fills, the festive vibes and celebrations are in full flow.

The Tree bar is a throng of guests enjoying our handpicked liquors and loving the atmosphere making your special day all the more surreal.

Finally, as the guests begin to disperse you can seek out the woodland cabin and reminisce about your very special day like no other.

Tipi (included)

Imagine a cool summer breeze flowing through the tipis whilst sipping a chilled glass of Champagne, taking in the atmosphere of the twinkling fairy lights, or toasting marshmallows around the fire pit.

Whatever the weather, a tipi will guarantee that 'wow factor' and won't disappoint. Spacious and versatile, a Tipi can be built to your bespoke requirements and can be used individually or linked to increase capacity...the possibilities are endless!

The sides can be raised allowing for uninterrupted spectacular views or lowered to create an intimate atmosphere. Beautifully natural, yet strong and resilient, you can be assured that a Tipi will impress you and your guests!

Your Tipi is included in our package price.

What's included...

- Double giant hat tipi
- Outdoor fire pits
- Wooden floor
- Bespoke rectangular tables (seats 6)
- Wooden cross back chairs
- Full fairy lighting to internal tipi poles
- Essential lighting
