A WEDDING AS
INDIVIDUAL
— as —
You

There's a reason why your wedding day is called your Big Day. It's the only occasion in your life when you'll have all the people you love in the same room on the same day. It's the most extraordinary feeling for any couple.

As the venue for unique and exclusive weddings for over 30 years; The London Marriott Grosvenor Square offers a heritage of service now with a contemporary edge.

Located in the heart of Mayfair, the original London Marriott Hotel Grosvenor Square boasts an air of elegance. In London's most exclusive address, your wedding is in the expert hands of our wedding team. Sit back, relax and browse through what our unique hotel can offer.

— YOUR — Ceremony

Whatever type of wedding you're planning - from a small, intimate gathering, to a large, extravagant party - the London Marriott Hotel Grosvenor Square is the perfect backdrop.

When you celebrate your union at Marriott Grosvenor Square you don't need to worry about a thing - our wedding team take care of all the small details. From your initial enquiry to the end of your big day, we guarantee a stress-free process, leaving you free to enjoy the experience.

At the London Marriott Hotel Grosvenor Square we welcome cultural diversity. We respect religious, ethnic and social differences, and are proud to host all types of wedding celebration, including traditional white weddings, Jewish and Asian ceremonies, same sex ceremonies and the renewal of vows.

— YOUR — Celebration

The venue you choose will be where you remember your most special day, and the London Marriott Hotel Grosvenor Square impresses from the second your guests enter from our forecourt, following the red carpet down to your reception suite and enjoying a glass of champagne, to that special moment when they walk into our stunning grand Westminster Ballroom. Recently renovated, The Westminster Ballroom is now one of the largest ballrooms in London with both natural daylight & pillar free. Elegantly complemented with three stunning chandeliers, and mood lighting that can be tailored to match your colour scheme.

The Westminster Ballroom can host up to 550 guests, it's a blank canvas, you can dress the room to echo your individual tastes, and design your big day, your way.

For more intimate celebrations, you can also transform the modern Mayfair Suite. Bringing your loved ones closer together, the suite can flexibly accommodate smaller celebrations of up to 120 guests. Situated on the lower ground floor, it's also nicely tucked away from the hustle and bustle of Mayfair.

- YOUR - Menu

A delicious banquet of your favourite foods and flavours, served exactly as you like them, is the finishing touch to a special day.

Your dedicated wedding team includes our in-house executive chef, who will work with you to create the perfect menu for your occasion - whether you fancy a traditional wedding breakfast, fork and carvery buffet, or a selection of international dishes.

We are also happy to recommend wines to accompany your choice of food, and offer guidance on dietary requirements, vegetarian options and child-friendly menus.

—YOUR— Room

After an unforgettably special day, we invite you to spend your wedding night in an executive room with our compliments.

Relax and unwind after your wonderful day in one of our luxuriously appointed rooms in our exclusive Mayfair hotel, enjoying the luxurious comfort of our famous Marriott bed packages.

If you wish, you can upgrade to the Bridal Suite for a fee, and toast your day with champagne, chocolates and flowers.

Our striking contemporary interiors are paired with modern comforts, and our rooms feature stunning four-poster beds, grand oak floors and marble bathrooms.
