MANDOLAY

One Unique Hotel
Infinite Possibilities

Welcome to your Wedding at the Mandolay...

The Mandolay Hotel and Event Venue has a truly independent spirit, with a reputation as the highest rated and officially accredited hotel in the area.

Our AA 4 Silver Star hotel occupies a special place, close to the heart of Guildford, and we are immensely proud of our many recent accolades, most notably from Condé Nast Johansens.

We know that your wedding day is far more than just an event. From early morning excitement and perhaps some butterflies, to family and friends gathering excitedly, surrounding you with love and best wishes, this day is the culmination of months, maybe even years of planning and preparation.

Welcome to the Mandolay, we never lose sight of the simple fact that this is your day!

Matthew Milliken Managing Director

About the Mandolay

With our eight wedding spaces, the Mandolay offers an almost infinite wealth of choices; from the intimate surroundings of our Oak Suite to the majestic scale of the Mandolay Suite, we can comfortably host events from 12 to 500 guests.

Whatever the size and style of your day, our service never alters.

We aim for perfection and deliver the exceptional.

Say “I do”

Whether you choose to celebrate your vows in church, the registry office, a location special to you both, or here at the Mandolay, we wish you the happiest, healthiest union imaginable.

Should you wish to do us the privilege of hosting your ceremony here at the Mandolay, we will work with you to make sure that there is not a single missed step.

Our wedding spaces are licensed for ceremonies of up to 500 guests and we can offer indoor or outdoor options.

As with everything, it is your day to enjoy, celebrate and share.

The Gazebo Lawn

Unique in Guildford and offering the final word in ‘blank canvas’ potential, our Gazebo is set amidst manicured lawns and gently shaded by mature trees. The area is a natural suntrap, delivering the quintessential English wedding in the heart of town.

Bubbles and Bites

Bubbles and Bites is our celebration of the partnership between formal and informal; chilled Prosecco paired with a selection of chef's hand made canapés... your very own garden party.

A Photograph for All the Ages

Even more historic than the Mandolay, the 11th Century Guildford Castle remains a wonderfully picturesque part of 'Secret Guildford', with gardens offering a secluded and stunningly colourful backdrop for those very special photographs. Just five minutes from the hotel, you might wish to 'divert' the wedding party for a few moments whilst guests enjoy a welcome drink at the hotel.

Time to Celebrate

The Mandolay Suite – our newest and most striking indoor space is pillar free and capable of hosting a wedding breakfast for 300 and an evening reception for 500 guests. Quite simply, there is no similar venue in Surrey. Designed with sensation in mind, this suite delivers a completely self-contained venue for the ultimate celebration; grand in scale yet retaining an atmosphere that has to be experienced to be fully appreciated.

Your guests will experience the wow of a dramatic entrance to the suite, beneath the stunning chandelier and on through the oak and glass double doors, the scale of the room never fails to impress even when empty, but when sumptuously decorated to your personal request... Stand back and listen to the gasps of delight.

Because the Night was Made for Dancing

The evening reception. A time to relax and for your guests to let their hair down and dance like nobody is watching.

As ever, it is your night and our resident DJ will play your selections from first dance to dance floor fillers; the music that is important to you, perhaps played to evoke memories of special times together or to remember absent friends.

Keep the evening with an elaborate buffet or enjoy toasted rolls at midnight and perhaps even a little nightcap for those who wish.

And so, to Bed...

Inclusive of our Ultimate Wedding Package our Signature Honeymoon Suite will have been available to you since the day before the celebration for all those last-minute details and arrangements, setting yourselves up for the big day ahead with a full English breakfast.

On the day itself, you'll have awoken fresh from a great night's sleep having snuggled down under Egyptian cotton, perhaps making use of the corner bath to luxuriate, enveloped in complimentary Molton Brown bubbles.

Your guests will be offered a range of room types at preferential rates and you can be assured that they will be attended to in a style that is second to none.

Bar 36

At once comfortable and elegant, the Bar at the Mandolay offers an array of choices for even the most discerning guests and patrons.

Speciality Gin, Vodka and Cocktail menus indicate a real point of difference to traditional hotel bars; indeed, our entire offering sets us apart from anything else in the area.

We believe in a principle of 'Drink Less, Drink Better' and encourage premium brands and perfect presentation over a more inclusive standard as indicated by our choice of Stolichnina Vodka and Star of Beefeater Gin as our house pours.

Fever Tree mixers provide the perfect accompaniment, and all our long drinks are presented to your preference. By day a range of fine teas and Nespresso coffees are complemented by a full menu featuring light snacks, nibbles and hearty lunch options, all served at the bar or on our heated terrace.
