A WARM WELCOME

Carberry Tower Mansion House and Estate is a place of intimate grandeur. To marry here, is to weave your own love story into an epic history that goes back to 1480 when our first foundation stone was laid.

Since then, we have been a gathering place for Kings and Queens, Princes and Princesses, all of whom have come to warm themselves by our fires and feast from our banqueting tables.

And to this very day, even more strongly than ever, the timeless values of love, celebration and abundance, continue to reign supremely over Carberry Tower - coupled of course, with the very warmest of Scottish hospitality.

THE ESTATE

Established over a period of more than 500 years, Carberry Tower Mansion House stands majestically within 40 acres of private Estate parkland. With stunning tree-lined driveways, sweeping lawns, landscaped ponds and meandering walkways, it's no wonder we are considered to be one of the most romantic places to get married in Scotland.

YOUR CELEBRATION

With capacity to seat 150 guests, our private Chapel within the Estate grounds makes a perfect setting for your Wedding Ceremony. Benefitting from floor to ceiling glass overlooking the picturesque walled garden, the bright and airy interior of the Chapel can be adorned to whatever extent your imagination takes you.

FEASTING

After enjoying drinks and canapés in the Mansion House, you and your guests will stroll through our beautiful Champagne Terrace to the Banqueting Pavilion. And with capacity to seat 150 guests for a sumptuous Wedding feast, the elegant chandeliers and gorgeous views onto the Estate gardens all combine to create a matchless backdrop to the most spectacular day of your life.

THE CHAMPAGNE TERRACE

A stunning gift from the late Queen Mother to her sister who used to live here, our Champagne Terrace overlooks the sweeping south lawns and epitomises the grandeur and style of outdoor socialising in a truly breathtaking setting.

EVENING RECEPTION

After all that feasting and merriment, the time has come to dance the night away and give thanks for a glorious day! The Rose Garden Rooms with capacity for 180 guests is the perfect central part of the Mansion House for evening guests to come and join the throng. A full supper buffet can be served within this area and there's plenty of room for the ceilidh band too.

THE ROYAL SUITES

What could be more unforgettable for a new Bride and Groom, than spending the first night of married life in one of our spectacular Royal Suites. Steeped in grandeur and with magnificent views over the Estate gardens, our Royal Suites are the very essence of luxury and style.

GRANDÉ SUITES, EXECUTIVE BEDROOMS & CLASSIC BEDROOMS

With capacity for 57 guests* and with fabulous views over the Estate, our richly furnished en-suite bedrooms all provide a very welcoming and relaxing haven for your guests.

* 14 extra beds are available at an additional cost, which raises the total household capacity to 71.

WEDDING PACKAGES

For that extraordinarily unique feeling of privacy and celebration, our Weddings operate on an Exclusive Use basis only – this ensures the main Mansion House is reserved purely for the enjoyment of your Wedding guests during your stay.

With Exclusive Use, all formal rooms in the Mansion House, including Suites and Bedrooms, the Chapel, the Banqueting Pavilion and Champagne Terrace are reserved entirely for the pleasure of you and your Wedding party. (The only omission being The Bistro/Courtyard which is completely self-contained, with its own separate entrance to the main Mansion House).

The Exclusive Use facility fee varies by season and day of the week and is chargeable in addition to the per head 'Wedding Package' prices. For up-to-date costings, please refer to our Pricing Card. Our Sales and Events Team will be delighted to provide a bespoke cost proposal, based on your preferred date and number of guests. In addition to the Exclusive Use facility fee and per head price, they will also tailor your specific requirements for your Evening Reception, in order to ensure those celebrating with you into the evening are also extremely well taken care of.
