YOUR PERFECT DAY IN OUR BEAUTIFUL HOTEL

THE PRIEST HOUSE HOTEL

Perched on the banks of the River Trent with a rich history dating back almost 1,000 years, the Kings Mills 17th Century cottage and mill tower in Castle Donington form part of the magnificent hotel that is now The Priest House.

Combined with its very own Grade II listed water wheel, opulent surroundings and contemporary style, complementing the charm and romance of the English countryside setting, it is difficult to imagine a more perfect wedding venue.

In addition to being the perfect location to hold your Wedding Day celebrations, our Derbyshire based country house hotel is host to 42 individually designed bedrooms, a fine dining restaurant with an exquisite menu and the Millstream Bar and Grill, where you can enjoy al fresco dining overlooking the River Trent in the summer months.

ENJOY OUR GARDENS & GROUNDS

Set in over 60 acres of its own woodland, gardens and meadows and with breathtaking views of the rolling countryside or the River Trent in every direction, the gardens and grounds at The Priest House are something of a fairy-tale. Watching the sunset over the river with the gardens lit up makes for a magical evening transformation.

The Priest House is a truly charming setting to create memories that will last a lifetime.
