ON THE SWINTON ESTATE

UNIQUELY SWINTON

Located on the border of the Yorkshire Dales National Park, Swinton Estate is one of the largest privately-owned estates in England; embracing 20,000 acres of incredible Yorkshire countryside, moorland parkland and ancient woodlands.

From the opulence and grandeur of Swinton Park castle, to outdoor ceremonies at Swinton Bivoauc or the rustic charm of the Deer House, every Swinton wedding is designed to be uniquely yours; an unforgettable celebration.

A ROMANTIC COUNTRY CASTLE

Owned by the Cunliffe-Lister family since the 1880s, Swinton Park is a Grade-II listed castle hotel set within 200 acres of landscaped parkland at the heart of the Swinton Estate; combining the splendour of traditional country house charm with stunning antiques in an opulent stately home experience.

Swinton Park is host to two fabulous restaurants; the relaxed luxury of Samuel's and the contemporary Terrace Restaurant & Bar, alongside an intimate fine-dining at Chef's Table by Josh Barnes located within the Cookery School at the Coach House. Our Estate to Plate ethos brings produce from across the estate into our seasonal menus including our finest orchard fruit, Estate-reared venison and vegetables from our four-acre walled garden.

Guests of Swinton Park enjoy the use of the Swinton Country Club including wellness suite, indoor and outdoor natural pool, thermal suite with sauna, steam rooms and a hydrotherapy pool; outdoor relaxation space with sheepskins and blankets; and our Wild Swimming lake.

From learning to fly-cast on the front lawn to bread-baking and cocktail making, our complimentary collection of daily activities are the perfect way to relax-and-unwind in true, Uniquely-Swinton style.

A stay at Swinton Park also offers a myriad of incredible experiences including EJ Churchill Shooting Ground, fly-fishing, bike-riding, Birds of Prey and miles of beautiful walking trails through the surrounding parkland and woodland.
