Package Notes:

If your number of daytime guests exceeds 80 guests, or falls below 80 for the Edwardian or Regency Package please either add or deduct £80 per guest to a minimum of 60 and a maximum of 100 persons.

If you wish to upgrade any of the items in the Edwardian or Regency Package, the difference between the original price and the upgraded price will be added as a supplement per person. For example, if you wish to upgrade your Evening Buffet option from the Bacon & Sausage Baps with Chips at £10pp to a Full Hog Roast instead at £19pp, a supplement of £9 per person would be added to your Edwardian Package.

Please remember the total price for the packages includes the 17 bedrooms. You may ask your guests to pay for their own accommodation if you wish and this can be paid directly to Eshott Hall. We would suggest the following rates:

Main Hall:

Up to £200 per room, per night during the summer.

Up to £150 per room, per night in the winter

Eshott Grange:

Up to £150 per room, per night during the summer

Up to £100 per room, per night in the winter

Guest contributions to the accommodation costs will be deducted from the total cost of your wedding bill. This makes maximum accommodation contribution by guests £2,900 per night, on summer peak days and £2,100 per night summer midweek/winter, to be taken off the total package price per day.
