

## *The West Cork Wedding Experience* *Stylish & Unique*

Congratulations on your recent engagement and thank you for considering the West Cork Hotel as a venue for your special day.

The West Cork Hotel has been a part of the very fabric of Skibbereen life for over 100 years.

This historical hotel overlooking the Ilen River, offers a tranquil riverside location along with the laid-back charm in one of West Cork's most colourful market towns.

Established in 1902, The West Cork Hotel remains Skibbereen's and indeed West Cork's most iconic hotel. This coupled with the strong reputation of professionalism and friendliness of our team, we are confident choosing us as hosts for your friends and family is certainly the right choice.

Our Head Chef will personally oversee your wedding banquet, and we are committed to only using the finest of ingredients, sourced locally in Cork with our offerings reflecting and celebrating wonderful Irish cuisine.

Our Ilen Suite can cater for up to 300 guests for the wedding meal, whilst our more intimate event rooms can also cater for smaller wedding parties. Our unique Daly's Store House offers the perfect location for West Cork Civil Ceremonies.

We would be delighted to arrange a personal viewing of the hotel with a full consultation, so please contact our wedding co-ordinator on 028 21277 or email us at [gm@westcorkhotel.com](mailto:gm@westcorkhotel.com)

For us it would be a privilege to look after your family and friends on your special day, and we very much look forward to hearing from you

Kind regards,

Barry Looney
