## **Civil Ceremonies and Partnerships Booking Procedure**

The County Ground, Beckenham is licensed to hold civil ceremonies and partnerships.

We can accommodate weddings from 10 to 200 people.

The charge at The County Ground for your ceremony to take place is £150.00.  
(This is exclusive of the registrars fees)

The venue will provisionally agree a date and approximate time of the ceremony with the couple.

The ceremonies can be on weekdays, Saturdays, Sundays or bank holidays subject to availability of a Registration Team and of the venue.

The venue completes a 'booking form' showing the names, addresses and contact numbers of the couple and date and time of the ceremony

This 'booking form' will then be faxed or emailed, by the venue as an attachment to the Register Office

When the fax or email is received, a provisional booking will be made in the diary for the ceremony.

The 'booking form' will be faxed or emailed back to the venue by the Register Office as confirmation of the booking.

The Register Office will contact the couple and request a booking fee of £50 (deductable from balance) and then write to the couple confirming the booking and giving them further instructions. This letter will tell them how to complete the legal preliminaries to their ceremony – giving a notice of marriage or civil partnership - and about the collection and delivery of the authority from another Register Office if necessary. It will also give the fee for attendance of the Superintendent Registrar and Registrar at the ceremony.
