ROMANTIC SERVICE

*OUR YEARS OF EXTENSIVE
EXPERIENCE WILL GUIDE YOU
THROUGH EVERY DECISION TO
CREATE THE PERFECT DAY.
REST ASSURED THAT THE
UNDIVIDED CARE AND
ATTENTION OF THE ANGEL TEAM
WILL SOLELY BE YOURS AS WE
WORK TOGETHER.*

Combined, our years of extensive experience will guide you through every decision to create the perfect day. Rest assured that the undivided care and attention of The Angel team will solely be yours as we work together from the initial enquiry to pre-party stages.

We will take the reins for the day itself, right until the last guest has been sent on their way, with a friendly goodbye from the team, so you can simply immerse yourself in the celebrations.

The grand, classical, Georgian facade building of The Angel Hotel has been a part of the community for more than 400 years and originally acted as an important coaching station on the route between Bristol and London. Overlooking the Chippenham market place square, guests can feel the history rooted in the very stones of the building. Character is seamlessly blended with an echo of the contemporary throughout the venue, with period features taking pride of place, whilst delicate touches of modern style complement these with their simplicity and inviting atmosphere. Many of the original features have been maintained and restored, further enhancing the grandeur of the Hotel. The stunning portico entrance, in particular, has been refurbished with a loving hand to ensure a lasting legacy for the intended purpose of the property.

HISTORIC SETTING

The elegant courtyard garden connects the notable frontage with the modern accommodation and leisure wing. A covered wooden gazebo, outdoor seating and summer parasols make the most of the afternoon sun trap, an idyllic space for guests to spend time together in a relaxed environment. Sweet scents from the fragrant flowers in bloom will drift gently over your wedding party, creating a spectacular atmosphere as the sun sets; a true oasis hidden away for your private moments together.

WEDDING REVIEWS

AT THE ANGEL, WE ARE PROUD TO HELP COUPLES ON THEIR VERY SPECIAL JOURNEY AND HAVE TRUSTED EXPERIENCE IN PROVIDING THE BEST CARE, SERVICE AND ATTENTION TO DETAIL, FOR ALL OF THE WEDDINGS WE HOST.

Here are some of our client reviews from recent weddings hosted at The Angel:

“The Angel exceeded our expectations from the minute we stepped out of our wedding car. The location is lovely, especially the picturesque courtyard garden at the back. The room was laid out absolutely to our specifications, and the turnaround from wedding breakfast to evening reception was done quickly and efficiently. The hotel rooms are very large, and all finished to a very high standard, the Lacock Suite is exquisite! The food was the best we have eaten at a wedding reception and served in generous proportions, we cannot believe how they provided such high-quality cuisine to 60 people of all ages with varying dietary requirements. In short, The Angel Hotel made our special day and I would highly recommend it to anyone looking for the perfect place to hold their wedding reception.”

Reverend & Mrs Philpott, bride and groom

“We can’t thank the team enough for making our day really special. They could not have done any more to make our day run smoothly. This is a wonderful venue for such a special day. We have wonderful memories of our day. The same goes for their resident DJ who entertained us all day and night. We ended the weekend with a Sunday lunch there with family with the attention to detail. Would recommend this venue highly!”
