Customers benefit from the convenience of a single monthly statement, consistently good value across all their utilities and exceptional levels of customer service. Telecom Plus does not advertise, relying instead on ‘word of mouth’ recommendation by existing satisfied customers and distributors in order to grow its market share.

Telecom Plus also has a 20% shareholding in Opus Energy Group Ltd, a successful, profitable and fast growing independent supplier of Gas and Electricity to small, medium and large business customers.

Telecom Plus is listed on the London Stock Exchange (Ticker: TEP LN). For further information please visit: www.utilitywarehouse.co.uk.
