Disclosure of Declarations of Interest

NAME: Donna H. Ryan, MD

I serve as the Chair of the Publications Committee for The World Obesity Federation. In this capacity my duties are to work across all publications of World Obesity Federation, including Clinical Obesity, Obesity Reviews, Pediatric Obesity and Obesity Science and Practice:

- to encourage communication and sharing of best practices across publications,
- to provide advice and counsel to journal leadership in improving operations across all publications, and
- to support the journal leadership in achieving the mission of providing a forum for presentation of ideas about obesity scientific progress, clinical practice, and population health.

I do not play a role in the review or evaluation or solicitation of any manuscripts for the journals.

I am self-employed as consultant and speaker under my company, Donna Ryan MD LLC. As such I have the following relationships in which I was active in the last two years to declare:

**Advisor or Consultant:** Altimmune, Amgen, Boeringer Ingelheim, Calibrate, Carmot, Cin RX, Epitomee, Fractyl, Gila Therapeutics, IFA Celtic, Lilly, Novo Nordisk, Scientific Intake, Structure Therapeutics, Wondr Health, Xeno Bioscience, Zealand.

**Speakers Bureau:** Novo Nordisk, Lilly, IFA Celtic

**Ownership interest (Stock options):** Epitomee, Calibrate, Roman, Scientific Intake

**Research:** DDSMB retatrutide (Lilly) and DSMBs for setmelanotide (IQVIA for Rhythm)

I also receive honoraria from continuing education companies, universities and health institutions for speaking about obesity.

I consult pro bono with governmental agencies, charitable organizations and some universities.
