

# Mitsubishi Electric Genuine Solenoids

## Mitsubishi Electric Genuine Solenoids and Auxiliary Relays now available to the aftermarket

Mitsubishi Electric has released a range of OE solenoids and OE auxiliary relays that are fitted to their M8T and M9T series of starter motors.

The initial range covers 23 solenoids and 26 auxiliary relays which are used on 55 different starter motors.

All these solenoids are now in stock and sold in Mitsubishi packaging.

Wood Auto also carries the complete range of Mitsubishi OE alternators and starter motors for both passenger car and heavy-duty commercial applications.
