

# Polyboard Training Pack

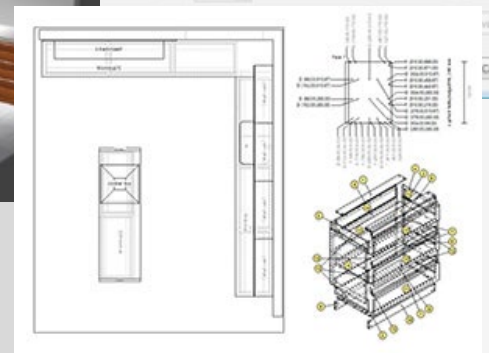

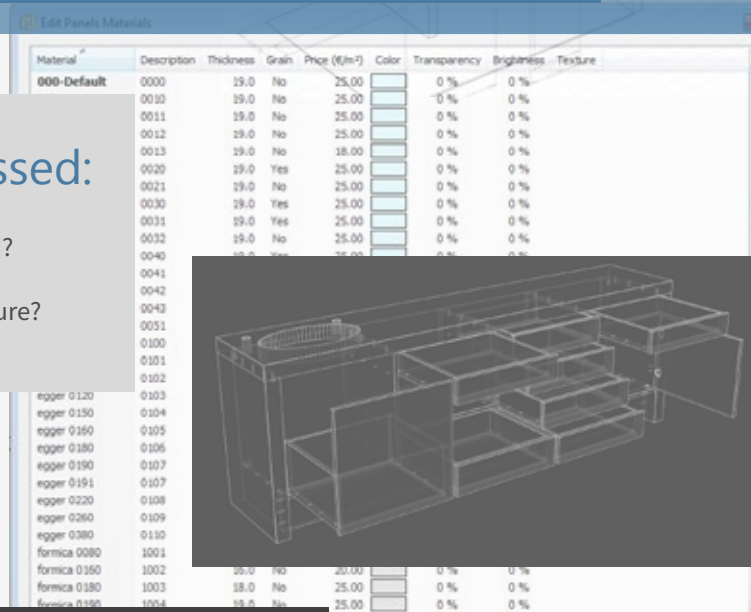

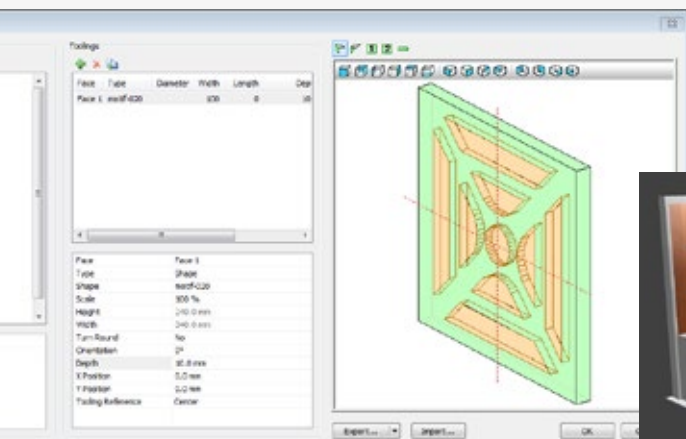

GET THE MOST OUT OF YOUR NEW SOFTWARE

Most people spend way too long learning software and end up using only a tiny fraction of its functionality

...save hours of learning time with our support and training packs and use Polyboard to its full potential

## An opportunity too good to be missed:

- Want to get up and running in a minimum of time?
- Want to discover the most efficient way to design with Polyboard?
- Don't want to miss out on key and advanced functions?
- Need advice on getting from your designs to error free manufacture?
- Or even design and manufacture on automatic?

## Highly focused training:

- The basics, create furniture fast and accurately
- Drag your furniture into projects for great 2D/3D presentations
- Output reliable cutting lists, plans and financial reports every time
- Advanced training where you need it...sloping tops, irregular walls and much more
- Get from design to manufacturing fast...CNC integration, hardware, edging and lots more
- Great tips and short cuts you never knew existed

## The details:

- 4 sessions of online training (total 4 hours)
- Videos of your tutorials for easy reference
- Includes 2 months Premium Support free of charge, Quick Design Libraries, on demand library set up service and custom videos and models
- Advanced training packs available on request

Trusted by 1000s of companies worldwide
