

StairDesigner Library Set Up

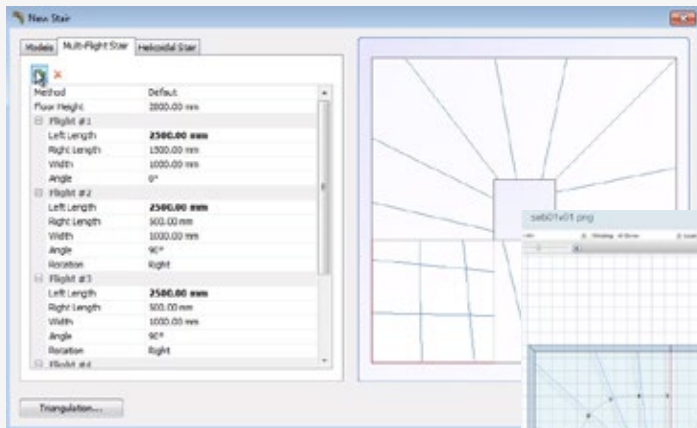

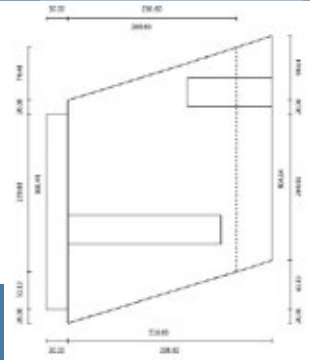

NOW FOR THE REALLY POWERFUL BIT...

Automated design and manufacturing

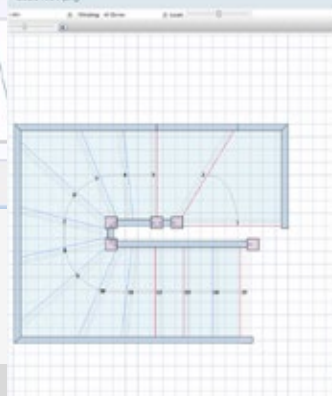

- Are you setting up materials for every new project?
- Do you know how to automate assembly details and manufacturing output?
- Or create a catalogue of parts and models that you can use over and over?

Let StairDesigner do the hard work for you

Automatically apply all this and much more with the click of a button
...fast, easy and error free, for each and every project

Step #10	oak/chêne	748.27 × 304.55 × 40.00	0.02 m ³
