INTERNATIONAL YOUNG SCIENTISTS CONFERENCE "PERSPECTIVES FOR DEVELOPMENT OF MOLECULAR AND CELLULAR BIOLOGY-3“

26-29 September 2012, Yerevan, Armenia

The main scientific topics of the conference include molecular and cellular biology and immunology as well as related and cross-linked fields of biomedical sciences.

Local Organizing Committee

Arsen Arakelyan (Chair)
Roksana Zakharyan (Executive Secretary)
Andranik Chavushyan
Gohar Tsakanova
Lilit Nersisyan
Qnarik Nazaryan

International Scientific Committee

Anna Boyajyan, Armenia (Chair)
Bana Jabri, USA
Levon Aslanyan, Armenia
Midori A. Yenari, USA
Pio d’Adamo, Italy
Rouben Aroutiounian, Armenia
Rouben Hovhannesyan, Armenia
Sarkis Mazmanian, USA
Tatyana Shkurat, Russian Federation
Tigran Chalikian, Canada
Yeva Dalyan, Armenia

Awarding Committee

Vilen Hakobyan, Armenia (Chair)
Misak Davtyan, Armenia (Co-chair)
Emil Gevorgyan, Armenia
Hrachik Vardapetyan, Armenia
Karine Mayilyan, Armenia
Zaven Karalyan, Armenia

Guest Editors

Anna Boyajyan, Armenia
Rouben Aroutiounian, Armenia
Sarkis Mazmanian, USA

The conference is organized by the Institute of Molecular Biology NAS RA and the Armenian Association of Molecular and Cellular Biology and Immunology. The best speakers will be awarded. The event will also include plenary lectures by the internationally acknowledged scientists. The conference webpage http://www.molbiol.sci.am/conferences/conf.html
